

INT. JASON'S CAR

THEY SIT IN SILENCE FOR A LITTLE WHILE.

JESSICA
Sooo how you feeling?

JASON
Great! Amazing! Fantastic! G has
always been a glory hog, can't take
it when he's not the center of
attention.

JESSICA
How often do you guys fight like
that?

There's an awkward pause.

JESSICA (CONT'D)
Where are we going any way?

JASON
Somewhere you might like.

EXT. BIG FIELD - NIGHT

JASON AND JESSICA ARE LAYING ON THE HOOD OF JASON'S CAR
STARING AT THE NIGHT SKY.

JESSICA
This is amazing. One thing about
Hollywood too many bright lights to
see the stars, Well the cool ones
anyway.

JASON
Yeah I like to come here when my
mind gets to cluttered. They sit in
silence for a bit.

JASON (CONT'D)
You know one thing I don't get.

Jason looks over at Jessica.

JASON (CONT'D)
Why do you keep hanging around me?
I mean I'm a loser and your....

JESSICA

As your friend put it A washed up
superstar.

Jessica chuckles.

JESSICA (CONT'D)

Well if your a loser and I'm washed
up guess we're about in the same
boat. Maybe I'm here to write a
book, how to live life at 25%
potential. Take that final plunge
into retirement.

Both Jessica and Jason laugh. Jessica sits up.

JESSICA (CONT'D)

But to be serious if I had to guess
it's your eyes.

Jason sits up and looks at her confused.

JESSICA (CONT'D)

Not in a literal sense. You have a
look, it's kinda like a I wanna
help you look. It reminds me of my
mom before the ... you know.

They sit there in silence letting that settle.

JASON

Hey Jessica I don't know if
anyone's ever asked you but what
would you wanna be if you weren't
an actor?

Jessica stands up and walks forward a little.

JESSICA

If I got a choice a florist.

JASON

A florist?

JESSICA

Yeah.

She turns around and looks at Jason.

JESSICA (CONT'D)
It's simple yet complicated.
Flowers have the ability to help
People who are sad, sick, in love,
arguing.

JESSICA (CONT'D)
I feel like a florist can help so
many people. If we don't help
people what good are we?

Jessica turns back around and looks up at the stars.

JASON
(mumbles)
Yeah what good are we? Jessica
walks back towards the car.

JESSICA
What about you?

JASON
(Confused)
What about me?

Jessica sits next to Jason.

JESSICA
Wellllll i've met your friends, i've
met your sister, and i've seen your
house. You got a pretty sweet life,
yet I still feel like i'm missing
something.

There is a pause.

JASON
Yeah I can see how people look at
me and think I have it all
together, but honestly I have no
clue what I really want. For as
long as I can remember i've been
focused on helping other people
find their purpose guess I haven't
really had the time to figure out
my own. Maybe that's why i've been
so focused on doing all of Damon's
chores, to prove that i'm worthy of
doing something for myself. I bet
it sounds stupid doesn't it?
Jessica grabs his hand.

JESSICA
Not one bit.
