EXT. DARK WOODS - NIGHT

Cinderella, a young woman in her early twenties is sitting on a log crying. A faint light begins to glow in the distance

FAIRY GODMOTHER

Do not cry child, you are far too pretty for that.

Cinderella stops crying long enough to see a old lady in a beautiful blue dress step out of the light. She has a crown on her head and a wand in her hand. Cinderella hides behind the log.

CINDERELLA

Who.. who are you?

Fairy-godmother puts her hands on her hips and shakes her head.

FAIRY GODMOTHER

Goodness child I know it has been a very long time but still you don't remember me? Why, i'm your fairy godmother.

Cinderella stands up and cautiously walks toward fairy godmother.

CINDERELLA

Your my fairy what?

Fairy godmother twirls her wand and her dress begins to glow.

FAIRY GODMOTHER

Your fairy godmother, the one in charge of making all your dreams come true.

Cinderella circles around Fairy godmother

CINDERELLA

Listen, you seem sweet but I don't think you can help me.

Cinderella goes and sits back on the log and Fairy godmother follows.

FAIRY GODMOTHER

Well we won't know unless we try. So tell me child what is it that you want?

In the distance there is a loud boom. Cinderella and Fairy godmother turn to see fireworks going off at the castle.

CINDERELLA
I wish I was there.

FAIRY GODMOTHER
So you wished it so shall it be.

Fairy god mother walks off and begins to stretch, Cinderella follows her.

CINDERELLA
And just how do you expect to get me in, I mean just look at me.

Cinderella points at her torn and disheveled maid outfit.

FAIRY GODMOTHER
Why with magic of course.

CINDERELLA
Magic? Why there's no such thing.

Fairy godmother finishes her stretches and turns towards Cinderella.

FAIRY GODMOTHER
Nonsense child! Now what is your favorite color?

CINDERELLA

Fairy godmother twirls her wand

FAIRY GODMOTHER

A blue light circles around Cinderella transforming her maid outfit into a beautiful blue dress fit for a princess.

Fairy godmother walks over to a patch of Vegetation.

FAIRY GODMOTHER
Now lets see what I can.. AHA!

Fairy godmother twirls her wand and a pumpkin rolls out. The pumpkin stops a few feet from Cinderella.

FAIRY GODMOTHER (CONT'D)
Stand back child this might get
messy. Bibbidy bobbidy Boo!

The pumpkin begins to grown and change colors. When it is done the pumpkin becomes a huge carriage able to seat four people.

Cinderella grabs her arm before she can finish.

CINDERELLA
Don't hurt them! They're my
friends!

Fairy godmother looks at her, then looks at them, then looks back at her.

FAIRY GODMOTHER
This won't hurt them, at least I
think it won't fifty- fifty chance?

Cinderella lets go hesitantly.

FAIRY GODMOTHER (CONT'D)
Boo!

The blue light circles and carries the rats to the carriage as one turns into a horse and one turns into the stage hand. Cinderella stands there amazed as Fairy godmother begins pushing her into the carriage.

FAIRY GODMOTHER (CONT'D)
Go on go on you don't have much
time. The spell wears off at
midnight!

CINDERELLA
Midnight? What happens then?

Fairy Godmother closes the door behind Cinderella who pokes her head out the window to look at fairy godmother.

FAIRY GODMOTHER

At midnight my magic will start to
wear off and everything will be
like what it was before. Your
clothes, your carriage your....
Friends will all be back to normal.
Never mind that just go and have
fun!

Fairy godmother taps the back of the carriage and it pulls off. Cinderella stretches her torso out the window and waves back at Fairy godmother.

CINDERELLA

Bye fairy godmother! Thank you for
everything.

Fairy godmother waves back.

FAIRY GODMOTHER

Remember! Midnight!

Cinderella rides off into the distance

FADE TO BLACK.
